

# WELCOME!

- Founded 2010
- Over 50 graduates to date
- Led by Dr. Dena Robinson and Angie Hallmark with over 50 years combined dental experience
- Certified by the State of Texas

**Why pursue a career  
in Dental Assisting?**

# Because...

- ✓ ... it can be more than a job. A career. A passion.
- ✓ ... you get the opportunity to meet, comfort and help others
- ✓ ... there's variety
- ✓ ...there's challenge
- ✓ ...it can provide a path to other dental related careers like hygiene, doctor, office management, teacher, sales rep and consultant

# What to Expect ...

- A condensed, rapid, educational experience over 10 weeks
- Lots of "hands on" experience with classes held in a working Dental Practice and externships set up for you by Aspire
- Small class sizes allowing for tons of personal attention
- Passionate, experienced instruction from a career, registered Dental Assistant and CPR Instructor to help you learn the **art** of dentistry
- A fun, team-oriented environment
- A commitment to help you succeed beyond graduation

**We love our  
graduates!**
